**FIRE SAFETY ADVICE In the light of a recent fire in a church in south London where a child was hurt, we have been asked to bring the following to the attention of the parish. "It is important that: 1. Real flame candles should not be used by young Children. 2. If a Nursery or Primary School are holding Nativity Plays, Carol Services or Children's liturgies, please advise them not to use real flame candles. 3. If candles are to be used during processions by the Altar Servers, please allow sufficient distance between them and only by the older more experienced Altar Servers. 4. Candles should not be placed in the Crib or on or near any flammable material. Fire extinguishers and blankets are in their respective locations. Fire exits are unlocked and clear. There are no veils or flammable fabrics / material on or near the Candle stands." FIRE EXITS ARE THROUGH THE MAIN WOODEN DOORS OF THE CHURCH AND THE EMMANUEL CENTRE INTO RADNOR ROAD.**
